

Model:

NDC-48-SG

Square Cold Showcase

NDC-48-SG

● Cabinet Construction

● Exterior- black brushed stainless steel, high-end and elegant; Interior-mirror s/steel 304, for food sanitation; Foamed with polyurethane, high-density insulation of inner cabinet

● The front panel and two side panels of base are detachable for easy maintenance

● Ultra-clear transparent tempered glass, high visibility; front glass, top glass, two side glass with heating film for anti-fog

● Refrigeration system: ventilation and strong cooling; environment-friendly R290 refrigerant; temperature in cabinet keeps 34°F to 41°F (2°C to 5°C) . It is recommended to be used indoors where ambient temperature and relative humidity do not exceed 80° F(27°C) and 60%.

● Digital temperature controller with two probes assuring defrost control to keep the cabinet temperature even during defrosting.

● Anti-corrosion coated evaporator

● Shelf: stainless steel holder support tempered clear glass shelf, strong bearing. The height and angle are adjustable.

● Each shelf with LED light, energy-saving

● Heavy duty caster, convenient to move

● Condenser with filter, easy to clean and maintain

● Rear of cabinet with two sliding doors for user operation

● Automatic evaporation for defrosting water, energy saving and environmental protection

● Heat dissipation: rear air intake and rear air discharge
